MARSEILLE

Sophisticated French country design is showcased throughout the Marseille Bedroom collection. Elegant curves flow throughout the collection highlighted on the headboard and footboard of the bed to the soft, rounded case piece edges. Design detailing includes the breakfront drawers on the dresser, fielded panels on drawer fronts, intricate molding, tapered feet on all pieces, and oil rubbed ring pulls on drawer fronts. The rich Jacobean finish accents the solid oak, contrasted with the crisp performance fabric upholstery used on the headboard and footboard.

WINFIELD

The Winfield Bedroom collection was inspired by classic Shaker style that's been updated with a modern farmhouse vibe. The simple silhouettes allow the natural characteristics of the tiger striping in the mango wood to speak for itself. The black metal pane detailing in the headboard of the bed adds dimension with a touch of urban distinction, allowing this collection to feel right at home in the city or in the country. The thick wood tops on all pieces make the case pieces feel substantial but not overbearing. The storage bed offers plenty of storage, along with a foot-board bench. Keep your treasure safe and secure with the secret hidden drawers found on both the chest and nightstand.
