2026 SPRING LOOKBOOK

The Zeva Bedroom Collection blends sculptural curves, artisan detail, and solid bamboo craftsmanship.

# ZEVA

Soft curves.

Strong design.

Built to last.

# STELLA

Generous in scale, the 60" Stella Dining Table with Exotic Tiger brings warmth and artistry to the dining room.

Spacious enough to gather friends, the 60" Stella Dining Table features a striking sunburst tabletop in warm Amber bamboo.

# VETRA

Bold and architectural, Vetra turns heads with sculptural bases branching upward to cradle a sleek rectangular top.

# VETRA

Bold, architectural, unforgettable — Sculptural geometry meets sustainable material innovation.

More style. Less compromise. Vetra combines bold modern design, luxurious finishes, and sustainable materials—so you can entertain beautifully.

# SITKA

Bold design.

Beautiful grain.

Thoughtfully made.

The Sitka Dining Table delivers sculptural style, hand-finished in rich Black Walnut.

WYNN

Wynn blends sculptural lines and modern craftsmanship. A contoured top, rich finish, and sleek pedestal create an elegant workspace.

WYNN

Amber, a warm golden finish created naturally using heat, steam, and pressure. Rich color, authentic grain, and sustainable beauty throughout.

## MODULAR DESIGN

As versatile as they are resilient, the Jett Shelves are an elegant solution that can be connected together to create endless configurations. Expertly crafted in solid bamboo and available in both Amber and wheat finishes.

# JETT

# ROSEMARY

Sculptural. Sustainable. Easy to love. Hand finished in rich Black Walnut, showcasing bamboo's natural grain and subtle variations.

# AZARA ELLIPSE

Modern curves. Sculptural base. Natural beauty. Azara's elliptical top and Exotic Tiger inlay create a bold, mid-century inspired silhouette.

## AZARA ELLIPSE

Azara Ellipse with sleek tapered legs, crafted in solid bamboo for a light, elegant centerpiece in any living room.

# TOFINO

Small table. Big design energy. Tofino serves sculptural curves, warm Amber bamboo grain, and sleek Caviar legs like it knows it looks good. Holds your coffee. Steals the spotlight.

# SKYLAR

Sculptural.

Comfortable.

Sustainable.

BELLE

With sculptural curves, Black Walnut tones, and sustainably made solid bamboo, Belle knows how to host—effortlessly.

Belle's signature sculpted legs—gracefully flared with distinctive curved legs highlight the fine craftsmanship.

# AVALON

Media console. Dining sideboard. Statement piece.

However you style it, Avalon brings elegance and purpose to every room.

# TORREY

# HUDSON

Bold design. Smart storage. Sustainable style. From dining room to media console, Hudson is modern storage that does it all—and looks incredible doing it.

## ARIA + OLLY

Dinner parties just got better. Aria's sculptural pedestal base and deep Caviar finish bring bold design energy—without sacrificing comfort.

# ZEN

Sit back. Breathe deep. Live Zen. Zen's flexible bamboo slats contour to your body—designed for both wellness and wow.

# CARMEL

Tambour doors glide open to reveal a spacious interior with four shelves, offering both style and practicality.

# MAGNOLIA

Magnolia proves sustainable design doesn't have to behave. High-contrast Exotic Tiger bamboo meets a bold architectural form—because quiet furniture is overrated.

# CATALINA

Crafted from solid bamboo, Catalina blends minimalist design with plush comfort.  
Design-forward. Sustainably made. Unapologetically elegant.

All curve, all class. Catalina brings bold design and sustainable style together—beautifully.

# WHY CHOOSE BAMBOO

0%

No waste. Greenington utilizes the entire bamboo culm, wasting nothing

10%

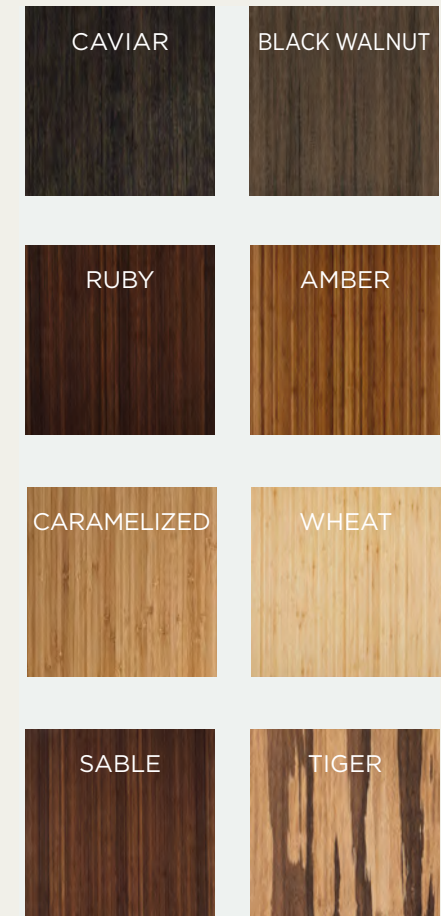

Moso bamboo matures in 5 years, just 10% of the time for hardwood, which can take up to 40-60 years.

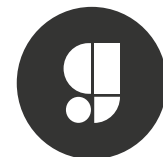

100%

Greenington is crafted in 100% bamboo, no plywood, particle board, or veneers are used.
